Application for RAMF Mennonite Education Scholarship

RAMF wishes to support students who are continuing their education at Mennonite institutions. We offer a scholarship of up to \$1000 per year. Most institutions for which we would provide a scholarship will be matching the award that we provide with an equal award from their institution.

Please complete this form by December 31 prior to the year you plan to begin your studies. You will be notified of the approval of your request by January 15. The college or universities for which you request notification will be done so by March 1, as per their deadline. If you apply for the RAMF scholarship after December 31, full consideration will be given on a rolling basis with remaining scholarship funds.
