*Hymns* recommended by Kace Leetch.

*Praise Music* recommended by Jay Egenes.

Hymnal references in *Praise Music* are to *Evangelical Lutheran Worship (ELW)* and *This Far by Faith (TF)*. A guitarists' accompaniment edition, with chords, is available for ELW. All of the songs listed can be led by a praise band or worship team including guitars, drums, etc. Some experimentation may be necessary to determine which traditional hymns work in your context. For most songs, we have identified one or more songwriter. For some others we have identified a singer or band that has recorded the song.
